Petal Gas Storage Company; Notice of Proposed Changes in FERC Gas Tariff

April 1, 1998.

Take notice that on March 27, 1998, Petal Gas Storage Company (Petal) tendered for filing, as part of its FERC Gas Tariff, First Revised Volume No. 1, a number of revised tariff sheets (Sheet Nos. 3, 4, 7, 8, 10, 11, 12, 52, 100-103, 112, 115, 115A, 116, 116A, 122, 123, 124, 127 and 129) with proposed effective dates of June 1, 1998.

Petal states that this filing is made in compliance with both the Commission's April 16, 1997 Order in this docket and Order No. 587-C, issued March 4, 1997.

Petal states that these tariff sheets reflect the provisions of those orders regarding the implementation of standards of the Gas Industry Standards Board. They also reflect the correction of several errors present in the pro forma tariff sheets filed earlier in this docket.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests

will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Rochester Gas & Electric Corporation; Notice of Filing

April 1, 1998.

Take notice that on March 16, 1998, Rochester Gas & Electric Corporation (RG&E), submitted organizational charts and job descriptions in response to the Commission's February 12, 1998, order on standards of conduct.¹ RG&E also certified, pursuant to 18 CFR 385.2005, that it posted the organizational charts and job descriptions on its OASIS.

RG&E states that it served copies of the March 16, filing on the Public Service Commission of the State of New York and on each person listed on the official service list.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions and protests should be filed on or before April 10, 1998. Protests will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

Williston Basin Interstate Pipeline Company; Notice of Request Under Blanket Authorization

April 1, 1998.

Take notice that on March 23, 1998, Williston Basin Interstate Pipeline Company (Williston Basin), 200 North Third Street, Suite 300, Bismarck, North Dakota 58501, filed in Docket No. CP98-296-000 a request pursuant to Sections 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.211) for authorization to utilize the existing taps in Wyoming and Montana, under Williston Basin's blanket certificate issued in Docket No. CP82-487-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

Williston Basin states that it received a request from Montana-Dakota Utilities Co. (Montana-Dakota) to add additional end-use customers to the Odorizer and Vine Taps. The Odorizer is located at Station 270+44 in Section 34, T56N, R98W, Park County, Wyoming, and the Vine Tap is at Station 5659+92 in Section 35, T25N, R49E, McCone County, Montana. Estimated additional volume to be delivered at the Odorizer Tap is 100 Dkt per year and 110 Dkt per year at the Vine Tap. Williston Basin states it will be using the existing taps to effectuate additional natural gas transportation deliveries to Montana-Dakota for other than right-of-way grantor use.

Williston Basin states that the proposed action will have no significant effect on its peak day or annual requirements, that total volumes delivered will not exceed total volumes authorized prior to this request, that the existing tariff does not prohibit the addition of new delivery points and that there is sufficient capacity to accomplish deliveries without detriment or disadvantage to other customers.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is
